

Q: We asked, “What can the regional officers and regional alumni association do to better support your chapter?”

A: We heard, “We need a way to:

- get more awareness of our chapter
- increase participation with events
- spread the word about opportunities
- tell people the importance of completion”

2011 CAMPUS BLITZ

Let us know the best day and time when you would like regional members and alumni to come to your campus and spread the word about Phi Theta Kappa and degree completion. We will even bring your chapter a *Commit to Complete* poster for signing.

Contact any regional officer, the regional coordinator (Velda Arnaud at arnaudv@lanecc.edu), or post a message on the region’s Facebook page.
